

NORTHLAND LODGE – FREQUENTLY ASKED QUESTIONS (FAQ)

1) What should we pack? / What items should we bring?

We supply all bedding (sheets, blankets, pillows, comfy beds), toilet paper, paper towels, dish towels, hand soap, dish soap, trash bags, bath/shower rugs, oven mitts, hot pads, and dishwasher tabs. Guests need to bring their own bath and beach towels, a check book/cash*, soap/shampoo, hair dryer, and charcoal for the grills. You could bring a favorite pillow too if you have a special one.

* We accept all major credit/debit cards. Our prices reflect a 4% cash/check discount incentive. Any purchase made with a card will not receive the Cash Discount and an adjustment in cost will be displayed on your receipt.

Guests sometimes ask if we have crock pots—yes all cabins have a Crockpot, griddle pan, blender, pots/pans, dishes, silverware, baking dishes, baking sheets, and some have waffle irons and roasters too.

2) What grills do you have?

All of our cabins have charcoal grills and picnic tables. Big Log also has a gas grill (propane not included, though partial tanks are usually left behind by previous guests). Some grills are barrel shaped, while others are round and guests rotate them based on their personal grilling preferences.

3) Do we need to bring beach chairs?

We have 20-30 beach chairs. All cabins have porch furniture (chairs) that can be used at the beach too. For extra seating at the beach, I recommend bringing a few chairs.

4) Do you have cribs or high chairs?

Pack'n'plays, high chairs, and booster seats available upon request—free of charge.

5) Where can we do laundry?

Two washers and two dryers are available in the lodge for our guests to use 8am – 8pm. The cost is \$4/load and there is NO need to bring quarters—just pay at the front desk or ask us to charge to your cabin. Our 8 bedroom family reunion cabin, BIG LOG, also has its own coin operated washer and dryer.

6) Do you sell fishing licenses or where can we get them?

Fishing licenses are sold at most gas stations in our area. The nearest one is 5 minutes away near the casino at the intersection of Hwy 200 and Hwy 371.

7) Do you allow pets?

Yes, dogs* are welcome at this resort. We've never had a dog smoke in bed and set fire to the blankets. We never had any issues with dogs stealing towels, TV remotes, life jackets, or pillows. We never had a dog that played music too loud, used obscene language around resort kids, or got drunk and broke a coffee table. So if your dog can vouch for you, then you are welcome to stay at our resort too.

*We allow dogs of any size, fish, and birds; but no cats, ferrets, snakes, pet spiders, or monsters (especially not the kind that hide under beds at night). Dogs are \$150/week or \$30/night. (Without prior approval: \$300/week).
